

## **ABOUT THE ART LEAGUE**

*The Art League began in 1959 when Ruth Hardy gathered 15 artists and conducted the first community art classes at the old Village Clubhouse, the site of the present Community Center on Old 41 Road. As Bonita Springs has grown, the Art League has kept pace providing opportunities for artistic expression, education and appreciation in a supportive and nurturing environment.*

*The Art League of Bonita Springs Center for the Arts is the cultural heart of the community; offering a wide variety of classes for all ages. The campus consists of classrooms, two galleries, office spaces, a library and gift shop. Members and artists of the Art League offer their time and talents to bring a variety of outreach programs to local schools and social organizations. The Art League hosts two National Art Festivals each winter—drawing talented artists from across the United States and around the world.*

*The Center for the Arts provides year round programs in many disciplines for all who wish to learn, study or simply appreciate a wide variety of art and cultural events. The Center for the Arts is a place for all seasons and people of all ages.*
