# “Prince Charles”

## Dramatization by: Barbara Rinella

Join us for a fascinating, entertaining and enlightening dramatization on Prince Charles, an intriguing portrait of the man who will be King, His upbringing, passions, contributions and challenges. Thanks Dramatist, Barbara Rinella, and the award-winning book by Sally Bedell Smith, we’ll get to know the true personality of His Royal Highness, insights into one of the oldest heirs to the throne in history, and hear critical, personal opinions from the important people in his life.

Who will arrive to shed light on the character and potential of the future leader of the British Empire? Will we get to meet Princess Diana, who sadly left us 20 years ago on August 31, 1997? Will we hear from his sister, Princess Anne? Maybe Camilla, The Duchess of Cornwall, will come to share her insights and affection for someone who has brought her true joy.

Of course, it is always a special pleasure to hear a daughter-in-law comment on life with the Royal Family, so Princess Kate would love to join the celebration of Prince Charles! You are cordially invited to this Royal gathering, too!
