About the Arts Centers

We began over 20 years ago with a small group of artists, providing free art programs to local youth in our schools. Across the years we've kept pace, becoming a cultural heart to our communities, continually offering exciting opportunities for artistic expression, education and appreciation in visual and performing arts.

Our 10-acre Center for Visual Arts campus opened in 2000, with beautiful galleries, Braniff Art Library, Gift Store and Studio Classrooms for painting, drawing, sculpture, printmaking and glass. Our 4-acre Center for Performing Arts opened in 2014 featuring two Auditoriums seating 400 and 200, Film Center, Digital Lab, Music Study Classrooms and Master Artists Studio.

A place for all seasons and all ages, we provide year round programs for everyone in art, theater, music and dance. Join us and enjoy all we offer.
