

## Week 1 May 30-June 2, 2017 (Tues-Fri) \$112 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) Art Around the World	1AAW17-A	Young at Art (ages 4-5) Eager Engineers	1EE17-P
Level 1 (ages 6-8) Intro to Acting	1IA17-A	Level 1 (ages 6-8) Clay Creations	1CC17-P
Level 2 (ages 9-11) Artful Architect	1ARC17-A	Level 2 (ages 9-11) DIY Plushies	1PL17-P
Level 2/3 (ages 9+) 3D Art and Sculptures	13DA17-A	Level 2/3 (ages 9+) Fashion and Jewelry Design	1FJD17-P

## Week 2 June 5-9, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) Creative Movement	2CM17-A	Young at Art (ages 4-5) Cookonomics: Edible Art	2CEA17-P
Level 1 (ages 6-8) Intro to Improv	2II17-A	Level 1 (ages 6-8) Mine-CRAFT	2MC17-P
Level 1 (ages 6-8) Twisted Textures	2TT17-A	Level 1 (ages 6-8) Enchanted Forest	2EF17-P
Level 2 (ages 9-11) Clay Craft	2CC17-A	Level 2 (ages 9-11) Stamping and Printmaking	2SP17-P
Level 2 (ages 9-11) Artbots: Robotic Art	2ARA17-A	Level 2 (ages 9-11) Acting for the Stage, TV and Film	2ACT17-P
Level 2/3 (ages 9+) Music Lab	2ML17-A	Level 2/3 (ages 9+) Digital Drawing and Animation	2DDA17-P
Level 3 (ages 12-18) Drawing and Painting	2DP17-A	Level 3 (ages 12-18) Doodles, Designs and Zentangles	2DDZ17-P

## Week 3 JUNE 12-16, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) Clay Creations	3CC17-A	Young at Art (ages 4-5) Art Outdoors	3A017-P
Level 1 (ages 6-8) Paint like Picasso	3PLP17-A	Level 1 (ages 6-8) Music Lab	3ML17-P
Level 1 (ages 6-8) Dance Around the World	3DAW17-A	Level 1 (ages 6-8) Cookonomics: Bake Shop	3CBS17-P
Level 2 (ages 9-11) Graffiti Art	3GA17-A	Level 2 (ages 9-11) Twisted Textures	3TT17-P
Level 2 (ages 9-11) Leather Pouches and Bracelets	3LPB17-A	Level 2 (ages 9-11) Science and Art	3SA17-P
Level 2/3 (ages 9+) Musical Theater Master Class (3 week camp – 1 of 3) <b>\$420</b>	3MTM17-A	Level 2/3 (ages 9+) Adventures in Filmmaking	3AF17-P
Level 3 (ages 12-18) Digital Photography	3DP17-A	Level 3 (ages 12-18) Advanced Improv Skills and Performance	3AIS17-P

## Week 4 JUNE 19-23, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) Under the Sea	4US17-A	Young at Art (ages 4-5) Showbiz: Disney Favorites	4SDF17-P
Level 1 (ages 6-8) Intro to Musical Theater	4IMT17-A	Level 1 (ages 6-8) Clay Craft	4CC17-P
Level 1 (ages 6-8) Inventors' Workshop	4IW17-A	Level 1 (ages 6-8) Mad About Science	4MAS17-P
Level 2 (ages 9-11) Mixed Media Animals	4MMA17-A	Level 2 (ages 9-11) Art Around the World	4AAW17-P
Level 2 (ages 9-11) Code Explorers	4CE17-A	Level 2 (ages 9-11) Cookonomics: Bake Shop	4CBS17-P
Level 2/3 (ages 9+) Musical Theater Master Class (3 week camp – 2 of 3) <b>*See Week 3 for price*</b>	3MTM17-A	Level 2/3 (ages 9+) Ready Set Sew (Beginner)	4RSS17-P
Level 3 (ages 12-18) Wheel Throwing (At Visual Arts Campus) Plus \$10 supply fee	4WT17-A	Level 3 (ages 12-18) Fused Glass (At Visual Arts Campus) Plus \$15 supply fee	4FG17-P

## Week 5 JUNE 26-30, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>	<i>Afternoon Session (1:00-4:00pm)</i>
Young at Art (ages 4-5) 53DA17-A 3D Art and Sculptures	Young at Art (ages 4-5) 5PTC17-A Planes, Trains and Cars
Level 1 (ages 6-8) 5CE17-A Code Explorers	Level 1 (ages 6-8) 5MM17-P Mosaic Masterpiece
Level 1 (ages 6-8) 5FJD17-A Fashion and Jewelry Design	Level 1 (ages 6-8) 5EE17-P Eager Engineers
Level 2 (ages 9-11) 5CSC17-A Comic Strips and Cartoons	Level 2 (ages 9-11) 5PMA17-P Pokémon Master Artists
Level 2 (ages 9-11) 5OSA17-A Outer Space Art	Level 2 (ages 9-11) 5CS17-P Creative Storytelling
Level 2/3 (ages 9+) 3MTM17-A Musical Theater Master Class (3 week camp – 3 of 3) <i>*See Week 3 for price*</i>	Level 2/3 (ages 9+) 5RSS17-P Ready Set Sew (Intermediate – Pillows and PJs)
Level 3 (ages 12-18) 5SP17-A Stamping and Printmaking	Level 3 (ages 12-18) 5CIC17-P Cookonomics: International Cuisines

## Week 6

### JULY 3, 2017 \$25 per Session

<i>Morning Session (9:00am – Noon)</i>	<i>Afternoon Session (1:00-4:00pm)</i>
Ages 4-8 (6RW117-A) Ages 9+ (6RW217-A) Red, White and Blue	Ages 4-8 (6SS117-P) Ages 9+ (6SS217-P) Stars and Stripes

### JULY 5 -7 , 2017 \$84 per Session

Young at Art (ages 4-5) 6PP17-A Picnic Party	Young at Art (ages 4-5) 6CKP17-P Castles, Kings and Princesses
Level 1 (ages 6-8) 6II17-A Intro to Improv	Level 1 (ages 6-8) 6ARA17-P Artbots: Robotic Art
Level 1 (ages 6-8) 6AA17-A Artful Architect	Level 1 (ages 6-8) 6OSA17-P Outer Space Art
Level 2 (ages 9-11) 6AB17-A America the Beautiful	Level 2 (ages 9-11) 6II17-P Intro to Improv
Level 2 (ages 9-11) 6MAS17-A Mad About Science	Level 2 (ages 9-11) 6WDT17-P Weaving with Different Textures
Level 2/3 (ages 9+) 6TF17-A Trashin Fashion	Level 2/3 (ages 9+) 6PE17-P The Painting Experience
Level 3 (ages 12-18) 6CS17-A Clay Sculpture	Level 3 (ages 12-18) 6FJD17-P Fashion and Jewelry Design

## Week 7 JULY 10-14, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) Creative Drama	7CD17-A	Young at Art (ages 4-5) Outer Space Art	7OSA17-P
Level 1 (ages 6-8) The Painting Experience	7PE17-A	Level 1 (ages 6-8) Intro to Acting	7IA17-P
Level 1 (ages 6-8) Cookonomics: American Classics	7CAC17-A	Level 1 (ages 6-8) DIY Plushies	7PL17-P
Level 2 (ages 9-11) 3D Art and Sculptures	73DA17-A	Level 2 (ages 9-11) Inventors' Workshop	7IW17-P
Level 2 (ages 9-11) The Art of the Selfie	7AS17-A	Level 2 (ages 9-11) Doodles, Designs and Zentangles	7DDZ17-P
Level 2/3 (ages 9+) Ready Set Sew (Beginner)	7RSS17-A	Level 2/3 (ages 9+) Dance Around the World	7DAW17-P
Level 3 (ages 12-18) Graphic Design	7GD17-A	Level 3 (ages 12-18) Master Artist Series	7MAS17-P

## Week 8 JULY 17-21, 2017 \$140 per Session

<i>Morning Session (9:00am – Noon)</i>		<i>Afternoon Session (1:00-4:00pm)</i>	
Young at Art (ages 4-5) In a Land Before Time	8LBT17-A	Young at Art (ages 4-5) The Art of the Selfie	8AS17-P
Level 1 (ages 6-8) Art Around the World	8AAW17-A	Level 1 (ages 6-8) 3D Art and Sculptures	83DA17-P

## Summer Camp Descriptions

### **3D Art & Sculptures**

Come and explore the wonders of 3-dimensional art and sculptures. Imagination is your guide to creating unique and adventurous artwork. Students will use clay, cardboard, paper and other found recycled materials.

### **Acting for the Stage, TV & Film**

Take your acting to the next level with fast paced improv games, scenes, monologues and audition skills. Actors will get the opportunity to work on a character, learn to explode onto the stage in improv and hear what directors are looking for in auditions. Participation in theatre is proven to enhance professional communication techniques that, with practice, help build confidence, unleash creativity and cultivate teamwork to assist in real-life situations at home and school. There will be a showcase at the end of the session for family and friends.

### **Acting Intensive Level 3**

Have you ever wanted the opportunity to spend a week in the mind of a character? Study acting from the inside out? Get tips and techniques from professional directors? In this camp actors will walk away with all of that and more. The scenes and monologues campers study will be something they can carry with them in auditions for years to come. Experiences in this class will not only enhance students' characters on stage and in front of the camera but also in real life. Communication, teamwork and real listening skills will be heightened every day.

### **Advanced Improv Skills and Performance**

Take your improv skills to the next level. You will get to try your hand at musical improv, long form scene work and some of the most fast paced games short form improv has to offer. Life skills that are enhanced by improv include teamwork, confidence, creativity and communication techniques. Camp will conclude with a final performance for family and friends.

### **Adventures in Filmmaking**

And the Oscar goes to...you! If you've ever wanted to see your face on the big screen, then this is the class for you. You'll act in your own short film and learn to edit it too.

### **America the Beautiful**

Fireworks, Flags and the Fourth of July! Celebrate Independence Day all week long at this fun and festive camp. In addition to red, white and blue art projects, students will showcase the diversity of American landscapes through their works of art...from sandy beaches to redwood forests and great plains.

### **Art Around the World**

Explore art techniques and traditions of cultures around the world. Discover the differences and similarities of how countries use art and create your own worldly masterpieces.

### **Art Outdoors**

Art is all around us. Young artists take inspiration from their natural surroundings and the creatures that inhabit it. With a little imagination, flowers, leaves, twigs and shells can be transformed into works of art.

### **Artbots: Robotic Art**

Learn the basics of making a robot and use that experience to inspire works of art. This camp is creative while incorporating science into painting and building three dimensional robot sculptures.

### **Artful Architect**

In this camp students will learn the basics of architecture and design. Projects include constructing a small scale model tree house with slides, rope ladders, stairs and even a spy tower! Be an artful architect on the way to developing big ideas in this camp that covers the basics of measurement, building strength, material use and construction.

### **Best of Summer 2017**

Campers of all ages enjoy this week of great art. Projects include a bit of everything – clay, painting, sculpture and more. An eclectic mix of the best of summer 2017!

### **Castles, Kings & Princesses**

Add adventure to your day with medieval knights, princesses and castles. Children enjoy medieval music along with creating great medieval art projects.

### **Clay Craft**

Design your own world out of clay while learning clay hand building techniques. Students will create environments from jungles to oceans to entire cities as well as the materials, animals, and characters that make up these adventurous worlds.

### **Clay Creations**

Come and explore the wonders of clay. Imagination is your guide to making all kinds of objects from bowls and cups to characters and creatures. Students learn hand building techniques including pinching, slabs and coils.

### **Clay Sculpture**

Explore the wonders of clay. Students learn clay hand building techniques including pinching, slabs and coils. Imagination is your guide to making all kinds of objects including sculptures, bowls, cups, characters and creatures.

### **Code Explorers**

Unleash your creativity through the world of coding and computer science. Campers will learn to think creatively, reason systematically and work collaboratively - essential skills for the 21st century. Campers will start by using "Code.org" and progress to "Scratch," both web based programs for programming stories, games and animations.

### **Comic Strips and Cartoons**

Convert your world into a wacky cartoon! Design bold and creative imagery with limitless possibilities. Campers learn how to draw basic cartoons and develop their skills to make their own characters.

**Making Summer Fun & Learning Affordable for Families  
Great Scholarships & Discounts Available**

### **Cookonomics: American Classics**

Explore the culinary traditions of our own country. From New England to southern cooking and Cajun to Tex Mex, the flavors are endless!

### **Cookonomics: Bake Shop**

Calling all bakers! Learn the basics of measuring and mixing and progress to more advanced baking skills such as creaming butter and kneading dough. Learn to bake pies, cakes, cookies, bread and more.

### **Cookonomics: Edible Art**

Finally a time when it's okay to play with your food! Learn about creative food presentations for parties or tasty gifts that resemble flowers, animals and more.

### **Cookonomics: International Cuisines**

A mouthful of culture! Each day campers make a new dish from a different location around the world.

### **Creative Drama**

In a nurturing and supportive environment, young campers explore an improvisational form of drama where they are encouraged to imagine, perform and reflect on real or imagined experiences. Through stories, games and movement, students make the connection between the magical worlds of theater and make believe. There is an emphasis on personal expression, creative imagination and confidence.

### **Creative Movement**

Perfect for the young dancer, this class focuses on creative movement that builds on the necessary gross motor skills needed for primary dance instruction. Students learn coordination, rhythm, basic dance positions and also create fun art projects.

### **Creative Storytelling**

Explore storytelling by awakening the imagination! Students will have the opportunity to create characters, environments and whole stories through games and exercises geared specially for kids. Through play, they will learn how to work as a team and put on a real show...ready for the stage and endless possibilities!

### **Dance and Acrobatics**

Bring out the acrobats, jugglers, hula hoopers and clowns! This spectacular workshop is for aspiring actors, dancers and performers of odd skills to come together and learn new tricks, makeup design and how to put a show together under the big top.

### **Dance Around the World**

Experience dance of different cultures around the world. Students will learn new styles including Polynesian, Bollywood, African and more!

### **Digital Citizenship**

Campers learn to be responsible digital citizens in this entertaining and informative camp. Activities include online games, building comic strips, and role play. Students will learn about their digital footprints and what it means to be a digital citizen. This camp will touch on topics including cyberbullying, internet safety and research techniques.

### **Digital Drawing & Animation**

Students use a digital drawing pad to draw on the computer and learn the computer program Toon Boom. Using software students animate their drawings bringing them to life.

### **Digital Photography**

Explore the world of digital photography using Adobe Photoshop Elements. Manipulate images, create interesting and unusual effects, and develop your own personal vision. Students should bring their own camera, cell phone or other device.

### **DIY Plushies**

Imaginative and fun! Sew together three dimensional stuffed animals and creatures from new and recycled fabrics. Children create their own plushie from start to finish using methods of pattern making and hand sewing.

### **Doodles, Designs and Zentangles**

Zentangle is a fun method of creating beautiful images from structured and coordinated patterns. A few simple patterns can create endless pieces of art. Students will design their own tangles, draw mandalas and create their own coloring book. With Zentangle, anything is possible one stroke at a time.

### **Drawing & Painting**

Learn fundamental drawing and painting techniques in this exciting camp. Work with pencil and pen, pastels, acrylics, watercolors and more.

### **Eager Engineers**

Building on fun and excitement, develop your engineering skills. From bridges to skyscrapers to domes and balloon cars; learn about simple machines and robots. This camp is as educational as it is exciting and forms a strong foundation for new ideas.

### **Enchanted Forest**

What lurks in the forest? Enchanted creatures of all kinds! Take a journey through an imaginary world full of fairies, elves, dragons and wizards while learning new art techniques and practicing some old favorites.

### **Fashion & Jewelry Design**

Implement your bold fashion ideas while learning about color, fabric, texture and pattern. Students learn design elements, styles and trends as they explore sketching, pattern drafting, material selection and basic sewing.

### **Fused Glass (at Visual Arts Campus)**

Learn about basic design and color with fused glass. Create a variety of pieces working at your own pace. Tools provided.

### **Graffiti Art**

Urban art brought into the classroom. Learn about popular street artists and make your own removable graffiti for the walls of your room.

### **Graphic Design**

Whether for the music industry, fashion design or self promotion, this class focuses on creating a finished poster that includes the student's personal style while learning the elements to create a professional high quality product. The program used for this class is Adobe Photoshop Elements.

### **Improv Level 2**

Perform improv games using skills that actors use every day in live Improv Comedy Shows or on TV and in Movies. By learning to think quickly on stage, you can improve on skills that will help you in life, such as teamwork, public speaking, listening and self-confidence. Students must complete "Intro to Improv" before enrolling in this camp.

### **In a Land Before Time**

In a land before time, deep in lush ground, giant dinosaurs roamed and soared. Learn about these prehistoric dinos and create works of art about them.

### **Intro to Acting**

Young actors learn acting basics with theatre games, scenes, monologues and audition skills. Students explore communication techniques that, with practice, help build confidence, unleash creativity and cultivate teamwork to assist them in real-life situations at home, school and in their next big starring role on stage or screen. There will be a presentation for family and friends on the last day of the session.

### **Intro to Improv**

Come perform improv games using skills that actors use every day in live Improv Comedy Shows or on TV and in Movies. By learning to think quickly on stage, you can improve on skills that will help you in life, such as teamwork, public speaking, listening and self-confidence.

### **Intro to Musical Theater**

In this camp, students will learn singing exercises, healthy vocal techniques, and basic music theory including rhythm and note values while exploring ways to interpret songs and communicate with the audience. Campers will learn group songs with a little choreography to perform for family and friends at the end of the week.

### **Inventors' Workshop**

Calling all inventors and big imaginations! Develop and design your own creation that is fun and functional. Learn how to come up with ideas, create real products and bring them to life with drawings and 3D models of your original design.

### **Leather Pouches and Bracelets**

Learn to assemble leather pouches and bracelets while learning different techniques such as lacing and stamping.

### **Mad About Science**

From magnetic slime, to exploding geysers, to edible and scientific culinary creations! This camp transforms science into fun, interactive experiments and creations.

### **Master Artist Series**

Explore art styles and techniques by some of the greatest artists of all time and create your own artwork in their style - Picasso, Warhol, van Gogh, Monet, Dali, da Vinci and many more.

### **Mine-CRAFT**

Create unique crafts and pieces of art based off the popular video game, Minecraft.

### **Mini Musical**

In this exciting camp students will learn singing, dancing and acting skills. The camp will culminate in a fully staged performance for families and friends.

### **Mixed Media Animals**

Draw, paint and sculpt your favorite animals in this mixed media camp. Students will learn about patterns, texture and color while creating 2D and 3D works of art.

### **Mosaic Masterpiece**

Enjoy the art of mosaic decoration using small pieces of colored tiles, stones or other materials. Campers create beautiful patterns and pictures using this ancient technique and a variety of materials. Mixing colors and shapes will be a truly magical experience.

### **Music Lab**

This exciting music program is a unique environment that merges technology, instruments and adaptations of games into a kinesthetic and fun environment, where students learn all levels of music quickly and eagerly. Use interactive boards, internet, music workstations and acoustic and electronic instruments. Learn ear training, sight singing, composition, improvisation, music appreciation, performance and production. Our classroom is an engaging playground that uses the natural ability of young minds to learn languages, foster attentive listening and encourage cooperation.

### **Musical Theater Master Class (3 week camp)**

Become a “triple threat” in theater in 3 weeks! Learn musical theater through professional coaching in acting, singing and dance! Aspiring actors and actresses get the training they need to progress their dream of being on stage. A performance for friends and family will conclude the camp.

### **Outer Space Art**

From astronauts and planets to aliens and UFO’s, these campers take an adventure to infinity and beyond! Make fun projects each day and read books that coincide with the vast wonders of our galaxy.

### **Paint Like Picasso**

Learn about the famous artist Pablo Picasso and create works of art that resemble the style of his most famous pieces.

### **Picnic Party**

Campers learn about pattern making, weaving and painting through picnic themed projects. At the end of the week students enjoy a picnic with their families. Bring your baskets, red checkered blankets and snacks!

### **Planes, Trains and Cars**

Put your art in motion with projects that revolve around different modes of transportation! Make your own customized plane, train and car and learn about what makes them go.

### **Playwriting**

In this camp students will learn the basics of writing a short play including character creation, plot development and dialogue. Writers will then bring their plays to life in a performance at the end of the week.

### **Pokémon Master Artists**

Gotta catch ‘em all in this Pokémon inspired art camp. Campers will create trading cards, character drawings, paintings and sculptures and Poké Ball plushies.

### **Ready Set Sew-Beginner**

Students learn the basics of sewing, from needle and thread to full-size machines. Working with a variety of fabrics and sewing techniques, students will create unique, one-of-a-kind items, including mini-pillows and a tote bag. Each student will leave class with a solid foundation for a fun future in sewing - ready, set, sew!

### **Ready Set Sew-Intermediate**

The next stitch from beginner Ready Set Sew! Students expand their skills by learning how to use patterns and advanced sewing techniques. In Fashion Week students create their very own fashion accessories. In Fashion Re-Design, students learn the art of up-cycling and re-imagining! In Pillows and PJs students will make a pillow with matching pajama shorts. To enroll, students must complete the beginner level class or consult with the instructor prior to signing up.

### **Red, White and Blue**

Fireworks, Flags and the Fourth of July! Celebrate Independence Day at this fun and festive art camp.

### **Science & Art**

Creative learning at its best! Through science experiments students engage in hands-on learning, observe cause and effect and create beautiful artwork at the same time.

### **Showbiz - Disney Favorites**

From Frozen to Aladdin to The Lion King, this camp offers interactive lessons that help your young star learn various songs and dances from hit Disney movies and musicals. The last session of class will feature a performance for family and friends.

### **Showbiz - On Broadway**

From Wicked to Seussical to Annie, this camp offers interactive lessons that help your young star learn various songs and dances from hit Broadway musicals. The last session of class will feature a performance for family and friends.

### **Stagecraft: Light & Sound Engineering**

Become part of a real light and sound design crew! Learn how to work a sound board, adjust microphones and design lights for a show. Campers will get to test their skills out on a live performance by the Mini Musical Camp at the end of the week.

### **Stagecraft: Set & Costume Design**

Become part of a real set and costume design crew! Learn to recycle and create with various art materials. All costumes, sets and props will be used in live performance by the Mini Musical Camp at the end of the week.

### **Stamping & Printmaking**

Explore the world of printmaking using a variety of media and tools including inks, brayers, plates, sponges, recycled materials and stamp making. Students will make monoprints, polyprints and sponge prints on paper and fabric such as pillow cases, tote bags and t-shirts.

### **Stars and Stripes**

Fireworks, Flags and the Fourth of July! Celebrate Independence Day at this fun and festive art camp.

### **Stop Motion Animation**

Dive into the movie making process and learn how to animate an inanimate object using anything from modeling clay and toys to construction blocks and drawings. Students will learn to use the HUE Animation Studio software and camera while creating their own scripts, storyboards, backdrops and characters.

### **Superheroes**

They're here to save the day! Campers become superheroes in this camp where creativity and imagination join forces in a dramatic adventure to have fun. Projects are themed around traditional and new super hero comics and students leave with personalized capes, masks and more.

### **The Art of Pastels**

Learn the proper use of pastels and the different types of paper that can be used with this art form. Use shadows and highlights to create movement and explore depth of space in your pastel creations.

### **The Art of the Selfie**

Work from photographs, memory and mirrors to create self portraits. Create collages of images that represent you. This class also covers artists throughout history who have painted their own portraits and shows just how much fun it can be to paint 'you'.

### **The Painting Experience**

A summer sampler where the students get to try their hand at a new and different painting experience each day ranging from watercolor to acrylics and collage.

### **The Possibilities of Paper**

Students will explore the endless possibilities of paper in this exciting camp. Projects may include pop up art, sculptures, kites, weaving, journals, origami, puppets and stationary.

### **Trashin' Fashion**

What do old magazines, bottle tops and empty juice cartons have in common? Those recycled materials are high fashion secret components for students who design, create and show off their "ecotoure" masterpiece at a fashion show the end of the week.

### **Twisted Textures**

Create 2D & 3D Art using various fabrics, found objects, paints and more. Students will explore different types of texture and learn why it's a fundamental of art.

### **Under the Sea**

Shark, octopus, mermaid or whale. Students create art projects based on the amazing life under water. Dive into an ocean of fun with paint, clay, drawing, sculpture and more!

### **Virtual Legos**

Using "Build with Chrome" students will be introduced to 3D computer modeling and explore the largest Lego set the world has ever seen. Students will imagine, create and build with Lego bricks online and then bring their design to life with real Legos and found objects.

### **Weaving with Different Textures**

More than just weaving with plain paper, this class offers many weaving techniques using different textured yarns, paper, and other materials. Students will explore American Indian weavings by using natural fibers such as wool, cotton, grasses, and palm fronds. During this class, campers will also create weavings out of abstract paintings and magazine photos. Students can even use their favorite sports team colors to create small wall hangings or masterpieces!

### **Wheel Throwing (at Visual Arts Campus)**

Sitting at the potter's wheel and forming a spectacular bowl or vase is very gratifying. Students learn to wedge clay and throw on the wheel. Pieces are finished with colorful glazes for a professional look.

# MUSIC LESSONS

Half Hour Private Lessons, ages 7+  
Payment Plans Available

## Saxophone, Clarinet, Oboe, or Guitar with Daniel Klimoski

Wednesdays 1-6pm May 31-Aug 30 (INS053117) \$25 per lesson / \$350 for 14 weeks
