If yes, list disease and date of exposure _____

Are student's immunizations up to date? Yes No Date of last Tetanus Shot _____

Name and Phone of Student's Physician _____

Signature _____ Date _____

Check in: Parents/guardians will check their child in and out in the Hinman Auditorium Lobby. Your fingerprint scan will admit you and your child to the CFABS campus. **Drop off procedure:** First day of class, parents/guardians are shown where their child's classroom is located. Children may be dropped off at their classrooms for the rest of the course session. **Pick up procedure:** Pick up is promptly at the end of the course, at your child's assigned classroom space. Please be on time, we do not have the extra personnel to care for your child when he/she is not in class. Parents/guardians that continually arrive after the final scheduled pick up time may incur additional fees. **For your child's safety:** If regular parent or guardian cannot pick up your child, please provide advanced signed written permission for the release of your child to another adult's custody. Also, please provide signed written permission for the release of your child if she/he is to be allowed to walk or bike home from the Centers. **Attendance policy:** If your child is going to be absent, please call the front desk to notify us 239-495-8989. **Emergency communication:** If you need to contact your child during class, please call 239-495-8989. **Medications, First Aid & Safety:** If your child needs to take prescribed medication, please see our front desk personnel. Medications are kept under lock and key and dispensed by staff following parent/guardian's written instructions. **Toilet Training Policy:** All children must be toilet trained before entering CFABS programs. Children must be able to clean themselves without teacher assistance. If your child has an accident that must be addressed during class, you will be called to come at once and provide clean clothes. Please know that this is for health, safety and legal concerns to protect both your child and the teacher. **Medical Issues:** For your child's protection in the case of any medical issues, parents are always notified via cell phone, and, in emergency 911. It is important we have primary and secondary emergency cell numbers for your child. **Media Release:** Photographs and video taken either as the Centers for the Arts Bonita Springs or media documentation of ongoing programs and performances have parental and/or guardian approval with this completed Registration Form and enrollment in noted courses and performance productions. This includes performances at the Centers for the Arts Bonita Springs as well as any offsite promotional photos or videos produced. **Email Usage:** The Center for the Arts Bonita Springs will include your email address in our regular Art Center News announcements informing you of upcoming activities, events, classes and opportunities. You may unsubscribe at any time. Your email address will not be shared or disclosed to any outside entity.
