

College Student/Adult Intern Application 2022

Each year the Center for the Arts Bonita Springs welcomes college and adult interns to assist with classes, offices and programming in visual and performing arts. Volunteer interns can make a commitment to work single days, multiple days and even weeks in a particular program. Scheduling is finalized at least one week prior to working.

The Center for the Arts will credit volunteers' work with community service hours and, upon request, write a recommendation letter for the volunteer. This letter is helpful for college and employment. Also, after completing 20 hours of service, interns receive a \$100 Gift Certificate which can be used for programming at the Centers for the Arts.

Applications are reviewed by Department Directors and Administration. An interview is usually set up to discuss volunteer and paid Intern opportunities. For questions, contact Susan Bridges, President, bridges@artsbonita.org or 239-495-8989.

PLEASE PRINT

Name _____ Age _____ If in College, what year are you in now? _____

Address _____ City _____ State _____ Zip code _____

Email _____ Phone Number _____

If Paid Internship: Social Security Number _____
