Discounts/Scholarships—ARTS FOR ALL is a very important concept for the Centers for the Arts Bonita Springs. We strive to ensure that all area children have access to our many programs. We make classes more affordable through discounts and scholarships. These financial aid programs take many factors into consideration—they are awarded on a sliding scale based on adjusted gross income; the number of dependents in the family; whether you rent or own your home; single parent status; how many children in your family intend to take classes; and how many classes your child takes. We encourage you to complete the Scholarship Application Form located at the back of this catalog. More than 85 percent of our students receive discounts/scholarships.

All campers are invited to participate in our **End of Summer Art Show** Friday, August 4, 4-5pm. Artwork will be selected throughout the 9 weeks of camps and exhibited in the Hinman Gallery-in-the-Round. Campers and their family can pick up their work after the exhibit or during the next week.
